

CAMP CASH BRACELET ORDER FORM

Camp cash bracelets are sold in \$10 increments. We love this system for a number of reasons:

- Having a band that cannot be removed makes lost/missing money much less of a problem.
- We've designed some truly great shirts, sweatshirts, hats, and other gear you'll love!

Our staff will make hash marks with a sharpie with each purchase until the band is used up.

Because many campers have run out of money by Wednesday (or Monday!) parents are also able to go to the Mt. Lebanon website to buy additional bracelets for delivery during the week.

A few other notes: Camp Cash bracelets are only good for Mt. Lebanon anteen or gift shop items. They cannot be used for merchandise sold by camp personalities or others, so some cash might be necessary. There are no refunds and no cash value. Any unused money will be donated to camp improvements.

As a point of reference, new gift shop items include T-shirts (\$15), stuffed animals (\$10-15), crew neck sweatshirts and caps (\$25-50), mugs (\$10), and bracelets (\$5). These are nice quality items that your camper can literally wear for years.
